FLIGHT GROUPS

Flight - A group of weeks that have the same spots and rates. Some schedules will have groups of weeks that are the same and groups of weeks that are different.

1. Select all weeks in the campaign. Click OK and then select ‘Create Schedule’

2. Select the stations, dayparts, and weeks for the first flight. Name the flight and click OK.

*Campaign dates can be selected by typing in the date manually, clicking the calendar icon, selecting an entire month, or selecting independent weeks.*
3. To add another flight(s), choose ‘Add Flight’ from the Actions menu.

4. Select stations, dayparts, and weeks for the second flight. Name it and click OK (repeating Step 2).
