WEEKDAYS OUTPACE WEEKENDS FOR ONLINE VIDEO VIEWING, ACCORDING TO NIELSEN ONLINE

Nielsen Online Releases Topline VideoCensus Data for October

New York, NY – December 17, 2008 – Nielsen Online, a service of The Nielsen Company, today announced that 65 percent of online video viewers stream content between 9am – 5pm Monday through Friday, compared to 51 percent of online video viewers who log on between 6am – 8pm on weekends (see Table 1). With a 96 percent broadband penetration among at work Web visitors in October and many employees spending nearly eight hours a day at their computers, workdays are prime time for online video viewing.
